FOREIGN NEWS.

(By the S. S. City of Peking)

EUROPE.

RUSSIA WILL NOT AGREE.

It is stated in St. Petersburg that the Russian Government has declined to agree to the military occupation of Korea by the Japanese forces and demands that the government at Tokio recall the garrisons stationed there.

VARIOUS LANDS.

Seven villages destroyed and fifty lives lost are the results of the recent earthquakes in Greece.

The revolt in Ecuador is spreading. A United States war vessel has been ordered to Guayaquil.

Further details have been received at Madrid of the loss of the Spanish steamer Gravina, wrecked off Manila, Philippine Islands, during a typhoon, show that 168 persons were drowned. Only two of those on board are believed to have been saved.

UNITED STATES.

FOR KILLING A SENATOR.

The Supreme Court of Nevada has rendered a decision sustaining and affirming the judgment of the District Court in the case of Mrs. Hartley, who killed Senator Foley in her studio in Reno and was sentenced to eleven years in the penitentiary.

THE CURRENCY QUESTION.

The sound money convention which met at Memphis, Tenn., May 23, was a much bigger affair in point of attendance than the most sanguine projectors anticipated. There were thousands of visitors in the city. Secretary Carlisle made a striking speech on the opening day, in which he predicted disastrous results to the undeveloped and progressive South, especially, if the proposition to revolutionize the monetary system of the country should be carried out. He said the Government should go entirely out of the banking business.

Ex-Congressman W. J. Bryan of Nebraska arrived at Memphis on the 24th and was given a cordial reception by representative silver men. That night he would answer the speech delivered by Secretary Carlisle before the Sound Money Convention. He would compare Carlisle's present views on the silver questions and those he is alleged to have held in 1878.

At the meeting of the Democratic Editorial Association of New York resolutions were adopted that the Democratic press of the State pledge itself to oppose any legislation looking to the free and unlimited coinage of silver. There was only one negative vote.

GENERAL ITEMS.

The latest report is that General Schofield will be a candidate for President and that he will receive the support of the soldiers who served on both sides during the war.

Jeremiah O'Donovan Rossa, the Irish agitator, has come back to New York under the disguising alias of J. O'Donovan.

Hugh McCulloch, formerly Secretary of the Treasury, died at Washington on May 23, aged 87 years.

The powder works at Pinola Point, California, were blown up May 21. Five white men and fifteen Chinese were killed. Although the works were about five miles from Berkeley, considerable damage was done in that town by the shock. The explosion was heard by those on board the steamer Australia sailing out of the harbor, and they reported in this city, that news of a disaster might be expected.

Mrs. John W. McKay has sailed for England.

Beet Sugar.

A number of German capitalists have incorporated under the title of the Kentucky Beet Sugar Company with the purpose of engaging in the manufacture of beet sugar

on an extensive scale. The company will invest \$750,000 in a plant designed to have a capacity of fifty tons of granulated sugar every twenty-four hours. The problem the German company has to solve is if beet sugar can be produced in this country without a bounty. The company will necessarily have whatever protection is afforded by the duty on raw sugar. There is the chance also that the needs of the Government in the way of revenue will compel an increase in the duty on sugar. The Kentucky experiment will be closely watched in this State.—San Francisco Bulletin.

Maui Notes.

The Aloha Lodge ball last Thursday night was a grand success. A large number of Knights, with their ladies and friends, attended and all went home voting the affair the best ever held on Maui. Everything was done by the members to make the evening enjoyable, and the various committees are to be congratulated for having pleased everybody. Music was furnished by the Waihee Glee Club. The decorations were beautiful and the committee deserves great praise for their efforts. At the head of the hall was a rare piece of floral work bearing the inscription "Welcome" in a half circle and underneath "Aloha Lodge, No. 3, Knights of Pythias," and all set off by the emblem of the order. Blue, yellow and red flowers, the colors of the order, were used. Mr. E. B. Carley was the artist.

Among those present were: Mr. & Mrs. E. B. Carley, Mr. & Mrs. W. A. McKay, Mr. & Mrs. T. S. Dickens, Mr. & Mrs. Steuder, Mr. & Mrs. A. Toogood, Mr. & Mrs. T. B. Lyons, Mr. & Mrs. Geo. Copp, Mr. & Mrs. Hardy, Mr. & Mrs. Harris, Mrs. Anderson, Misses Whitney, Friel, Chillingworth, Copp, Cummins, Jones, Center (2), Crooks, Messrs. Center, Maynard, Quill, Asher, Gardiner, McLain, Howell, Leary, Lyons, Chillingworth, Esger, C. Chillingworth, Wilbur (2), Mossman, Aiken Copp, Langinette, Jeghers, Gilhus, Baldwin and many others.

The decoration committee had hard work in getting sufficient blue, yellow and red flowers for the floral piece, but a kind-hearted young lady, hearing of their trouble, offered them all that could be obtained in her garden.

Iao Valley was plucked of all its green foliage to decorate the hall. None was left for the fourth of July ball.

The members of the Maui Racing Association are not being treated right by Honolulu horsemen. It has been the custom for the Maui Association to hold its annual meeting on the 4th, and it has never made any attempt to hold races on June 11th. Why cant the intended 4th of July races in Honolulu be held on some other day?

Dr. R. I. Moore the dentist arrived from Hilo by the Rinau, and will spend at least one month on Maui relieving tooth-aches.

The brigantine Consuelo, Jacobson master, arrived on the 25th. 14 days from San Francisco with general merchandise for Hauku Sugar Co., and sailed Wednesday with 400 tons of Hauku & Paia sugar. Mrs. P. B. Aiken went as passenger.

The schooner Jenny Wand, Olsen master, arrived Monday, 16 days from San Francisco with deck load railroad ties for K. R. R. Co., and general merchandise for Mahukona. She sailed for the latter port on Wednesday.

The schooner Anna, McDonald master, arrived Friday, 12 hours from Hilo. She sailed today with cargo of Hauku and Paia sugar.

The schooner Glendale arrived today, 17 days from San Francisco with general cargo for the Kahului store.

The Lehua has not been sighted this week.

About 50 cases are to be tried at this term of the Circuit Court. Baseball game last Saturday was immense. The score was at any rate: West Maui 34, Makawao 30.

Pot famine still continues and native hotcakes are a luxury.

The caterpillars are still infesting the Kula potato fields and are doing considerable damage. Kahului, June 1, 1895.
